## US\$9m Thann Sanctuary Spa to open in New York

Castle Hotel & Spa is set to open a US\$9m (7m euro, £5.6m) Thann Sanctuary Spa in Westchester County, New York, US in May 2013.

The 100-year-old resort, overlooking the Hudson River in Tarrytown, is owned and managed by Sankara Hospitality Group.

Spanning 7,800sq ft (725sq m), the spa will be the first Thann Sanctuary-branded site to launch in the US. It will feature seven treatment rooms, hot pools, men and women's separate steamrooms, and a VIP treatment suite.

Thann Sanctuary Spas operates a number of spas across Asia and is based on a holistic treatment approach that aims to rediscover inner physical and mental wellness. Treatments include ayurvedic body massages, energy

healing therapies and Nano Shiso anti-aging facials. The 90-minute signature massage at the Thann Sanctuary at Castle Hotel will involve deep tissue treatment, incorporating firm palm and forearm pressure to heal muscular aches.

The interior design, which is being carried out by US design firm Gettys, will include warm tones and soothing light with furnishings procured from Thailand.

California-based KTGy is responsible for the architectural design which will focus on achieving a simple, sophisticated building using stone walls and minimal exterior openings to blend with its setting. A curved stonewall will guide the guest through an opening in the wall into a sheltered interior courtyard.

The spa will have a strong focus on sustainability and will be LEED-certified by the US Green Building Council.

The development of the spa is the first phase of a ten-million dollar renovation project. Details: <http://lei.sr?a=6A6d3>

## Regent plans spa hotel for Doha in late 2013

Regent Hotels & Resorts is set to launch a new property in Doha, Qatar in Q4 2013. Located in the Bin Mahmoud residential and business district, Regent Doha features 365 rooms, suites and villas as well as a Presidential suite.

The resort will house a spa with 10 treatment rooms as well as steam baths and a wave pool.

Other facilities include a health club and squash courts as well as an outdoor pool. Doha-based KEO International is responsible for the architecture, while the interior design is being carried out by DSGN.

## Massage Envy continues expansion in the US

Massage Envy's dominance in the US massage industry is continuing with the launch of a Massage Envy Spa in Monroe, New York.

The spa has nine treatment rooms, including a couple's room and offers 10 therapeutic massage therapies and four Murad healthy skin facials.

Affordability is a unique selling point of Massage Envy, and the new site is offering introductory one-hour massages from US\$49 (€37, £30) and the luxurious Hot Stone Envy treatment at US\$98 (€74, €60).

"We are excited to bring a beautiful, upscale day spa to the Monroe area, but most importantly, the services will be affordable to all," said co-owner, Kim Meyer.

"Massage Envy Spa is a place of deep relaxation, comfort and professionalism and we can't wait to provide our guests with an unforgettable experience." Massage Envy is a franchise business, with an ethos to provide

professional, affordable, therapeutic massage services to consumers with busy lifestyles, at convenient times and locations.

Founded in 2002, Massage Envy has almost 800 locations in 45 states and has ambitious expansion plans.

The Arizona-based company was acquired by private equity peer Roark Capital in October 2012 for an undisclosed sum.

## Disney prepares for launch of new spa concept

Disney is set to launch its new spa concept with the opening of Senses – A Disney Spa at its Grand Floridian Resort in Lake Buena Vista next month. From January 2013, all spas, salons, and fitness centres across Walt Disney World will be owned and run by Disney under the Senses brand, instead of being operated by external companies.

The Grand Floridian location is the first to be renovated and to reopen under Disney control. Designed by Walt Disney Imagineering, Senses – A Disney Spa will feature 15 treatment rooms and two private spa villas.

On entering the spa guests chose from three journeys, relax, renew and imagine, this will determine their treatments during the visit.

Signature treatments at the resort include the Grand Floridian 80-minute aromatherapy massage. Other treatments on offer include water therapy, sugar exfoliation body treatment, and the rejuvenation facial.

The Grand Floridian Resort in Lake Buena Vista is to get a Senses Spa

Whirlpools, a relaxation area, steamrooms, couples treatment rooms and spa pools will also be on offer.

The second resort to relaunch with a Senses spa will be Disney's Saratoga Springs Spa in Florida. The spa is set to close shortly for a redevelopment and will reopen with Senses – A Disney Spa by mid-2013.

## Health care operator Virtua opens second spa

North American hospital operator, Virtua, has further diversified into the spa market with the launch of its second facility. The Virtua Health & Wellness Center opened in Moorestown, South Jersey, at the beginning of December.

Among the mix of facilities, the centre boasts a virtú-branded spa, offering a range of treatments and thermal facilities.

The spas form a part of Virtua's strategy to increase its efforts to focus on keeping people healthy, rather than taking care of them when they are sick.

"Helping people be well, get well and stay well is Virtua's mission," said Richard P Miller, Virtua President and CEO.

"This center will be a destination for wellness,

The health care provider is increasing its focus on preventative services

diagnosis, care and treatment. Everything has been designed to focus on the needs of the community, while maintaining a one stop destination for medical and wellness services."

Virtua has an existing spa in Washington Township. The company also owns four hospitals. *Details: <http://lei.sr?a=N9k4y>*

## Singapore gets first CHI spa at Shangri-La

Singapore's first CHI, The Spa has opened at Shangri-La hotel, Singapore, offering a range of traditional Chinese therapies. Situated on 15 acres of tropical greenery, CHI, The Spa features nine treatment rooms including three couples' rooms.

In traditional Chinese philosophy, "chi" is the universal life force that governs well being and personal vitality. CHI, The Spa aims to create a sanctuary where holistic treatments are based on traditional methods shared by Asian cultures.

Therapies at the spa include the Sense of Place treatments, where local ingredients are combined with massage techniques that can be performed indoors or outdoors.

CHI signature massages use natural ingredients and aim to provide relaxation of the mind and to revitalise the body.

Guests will be able choose from a Chinese foot massage in CHI Reflexology, a full body massage in CHI Balance, a muscle-tension relieving massage in CHI Rescue Release or CHI Hot Stones.

CHI, The Spa has nine treatment rooms including three couple's rooms

Body Therapies to nourish the skin and promote cell regeneration will also be on offer including Bio Mud Wrap and the Marine Flora Wrap. Facials will focus on skin rejuvenation and regeneration of skin cells.

The Gentleman's Facial looks to improve skin texture and tone as well as focus on areas of deep-seated tension.

The new spa joins the other leisure facilities at Shangri-La Hotel, Singapore such as the 24-hour gym, outdoor lagoon-shaped swimming pool and floodlit tennis courts.

## Ritz-Carlton to open new hotel in Abu Dhabi

The Ritz-Carlton is set to launch a new property in Abu Dhabi, UAE by early 2013.

The Ritz-Carlton Abu Dhabi, Grand Canal is owned by Abu Dhabi National Hotels and will be managed under the Ritz-Carlton brand.

Located opposite the Sheikh Zayed Grand Mosque, the hotel will feature 447 guest-rooms and suites, as well as 85 private villas.

The 2,000 sq m (21,500 sq ft) Abu Dhabi ESPA spa will open mid-2013 featuring 15 private treatment rooms catering for men and women.

The stand-alone spa offers a steamroom, a hammam, a private beach and outdoor plunge pools as well as a 1,600 sq m (17,222 sq ft) outdoor swimming pool.

A hair and beauty salon will also be available as well as a fitness centre.

Spanning 230,670 sq m (57 acres), the property was designed by architect Otak International with interiors by Sfa Design

The large resort includes a 2,000sq m ESPA spa due to open in mid-2013

and consists of ten buildings. Three of the nine dining outlets have been designed by Japanese restaurant specialist Super Potato - marking the designer's debut in the Middle East.

Other options include a steak house as well as Southeast Asian, Arabic, Lebanese and Italian restaurants.

Other facilities include 2,182 sq m (23,484 sq ft) of meeting space including a Roma Ballroom and an additional 14 meeting rooms.
