### **Type of Contract**

Edinburgh Leisure uses different contracts depending on our needs for a particular set of skills. We operate in a customer service driven environment, and as such most posts involve shift work and include evening and weekend work (our peak customer usage times). Some posts are used as relief posts and are not attached to a shift pattern, instead shifts are agreed in advance to suit the service needs. The advert will state the type of contract being offered. Where possible we will offer a permanent contract, although where needed, we will use other contracts as detailed below:

- Temporary* these will be for a specified period of time and are normally used to cover the absence of a permanent employee.
- Fixed Term* these will be for a specified period of time for posts that are set up to deliver specific and unique projects and may depend on some source of external funding.
- Seasonal* these are temporary posts, used over our busier summer periods and to cover for annual leave of our permanent staff. These work flexibly, agreeing shifts 1-2 weeks in advance.
